CHAPLAIN'S MESSAGE

Welcome to SUVCW Department of California & the Pacific, General William Passmore Carlin Camp 25's web page!

On behalf of my Camp, Department and National Brothers, I hope that you, your family, and community are having a safe, healthy, and prosperous New Year. As you well know, 2012 marks the 150th anniversary of the American Civil War year of 1862. 1862 was truly the dark days of the

war for Federal forces and our President, Abraham Lincoln. I am reminded of the Bible verse in the Epistle of Paul the Apostle to Titus, Chapter 3, verse 1:

“Remind them to be subject to rulers and authorities, to obey, to be ready for every good work”

People were different 150 years ago, with much different beliefs and thoughts than we have now. Like many of you, I have visited the Civil War Battlefields and am myself and avid Civil War Reenactor. So many times I have looked across the “battlefield” at Confederate reenactors and wondered if I could truly march across that field to certain death. Could you? If it were not for our ancestors, taking this risk, with many paying the ultimate sacrifice, we would not enjoy the freedoms we enjoy today. In our modern society, many of us are experiencing difficult times based on the nations and worlds economic crisis. We can learn from our forefathers, both in the Civil War and in the Bible, to make the best of our situation and work to make our Great Country stronger, and better. We are facing a different type of struggle, however the results will be remembered by future generations, who will look back on this 150th anniversary and be thankful for the efforts that we made to remember our ancestors, and to help our Nation get back on track.

Please join us in remembering our (and your) American Civil War ancestors, as well as the Grand Army of the Republic, and the founding members of the Sons of Union Veterans of the Civil War. Let us carry on their efforts, heroics, and other accomplishments while honoring their memory.

In Fraternity, Charity, and Loyalty,

Wayne L. Eder, EFO, MBA
Chaplain

HISTORY AND MEMORIALS REPORT

December 18, 2011

David A. Davis, SUVCW Gen. William Passmore Carlin Camp 25 Camp Historian/Civil War Memorials Officer.

36-STAR FLAG IN SPARKS

I was told of a 36-star flag on display at the Sparks Heritage Museum, and went to see it yesterday afternoon. It is 72 inches by 76 inches, silk, and apparently hand sewn with brass rings down the side for mounting. The stars are sewn on the blue field. The blue field was also cut out behind the stars, so the stars are on piece of cloth seen on both sides. The flag was folded and stored through the years, and at some point got wet causing the red to run some on the white.

The origin of the flag is unknown. Recently, one of the docent thought of hanging an old flag on the wall. They had a box of mostly later flags, and this one was found inside. The museum has been around for about 25 years, and records for early donations are sketchy at best.

One of the docent did an internet search, and found one exactly like this one, but minus the brass rings, on the website of Jeff R. Bridgman American Antiques and Antique Flags - <http://www.jeffbridgman.com/inventory/index.php?page=out&id=844> - located in York County, Pennsylvania. The docent e-mailed Mr. Bridgman for more details, but so far has gotten no reply.

The flag had 33 stars when the Civil War started, and stars are added the July 4th after a state is admitted. The 34th was added after Kansas became a state in 1861, and the 35th was added for West Virginia, which became a state in 1863. Nevada became a state on October 31, 1864, and the star would not officially be added until July 4, 1865, after the Civil War was over. It is probably unlikely this is true Civil War flag, however that being said, stars were locally unofficially added immediately after a territory became a state, and sometimes before. Also, General Grant's Civil War Headquarters for 1864-1865 had a 36-star flag ([The Flags of the Union, An Illustrated History](#), 1994, by Devereaux Cannon, Jr.). Also, a note on <http://www.illinoiscivilwar.org/cwflags.html> says Army Regulations required regiments to have two silk flags 6 feet by 6 feet. One was the national flag with the regimental name and number on the middle stripe, and the other was the regimental flag. This flag is about the right dimensions but lacks regimental identification.

I have seen two other 36-star flags. Nevada State Archives has one that flew over Fort Ruby, and a 36-star flag of unknown provenance is on display at the Way It Was Museum in Virginia City.

COLONEL NORMAN PARKER CHIPMAN

Recently, our Graves Registration Officer Don Huffman tracked down the final resting place of Colonel Norman Parker Chipman. Colonel Chipman co-founded the GAR and authored the order creating Memorial Day. He was also GAR Department of California and Nevada Commander in 1897. He died in San Francisco in 1924 and was cremated. His remains were sent for burial at Cypress Lawns Cemetery in Colma, California. Department Civil War Memorials Officer Dean Enderlin had been researching Col. Chipman and ran into a dead end, because Cypress Lawns said he was not buried there. After a diligent search, Don found that Colonel Chipman was buried at the Bellefontaine Cemetery in Saint Louis, Missouri. He also has a rather ordinary gravestone with no mention of his military or GAR record.

ROAD TRIP TO CALIFORNIA MILITARY MUSEUM

On Oct. 15, Commander John Riggs and I met with our Graves Registration Officer Don Huffman at the California State Military Museum in Sacramento. We attended a talk on the Civil War era history of California by an historical novel author. On the way back to Reno, Commander Riggs and I visited the GAR plot in the cemetery at Auburn and the GAR monument at the cemetery in Newcastle.

SALUTE TO VETERANS CONCERT IN ELKO

Saturday, November 12, 2011, the Ruby Mountain Symphony presented Salute to Veterans at the Elko Convention Center in honor of veterans, and Carlin Camp 25 participated. I gave a brief synopsis of the Civil War. Secretary-Treasurer Brian Worcester presented Jerry Reynolds a certificate recognizing the medal of honor his grandfather Harry Reynolds posthumously received for his actions in the Indian Wars. Chaplain/Patriotic Instructor Tyrone Davis took pictures, and a reception was held at the Northeastern Nevada Museum after the event. This activity is written up in more detail with several pictures in the November issue of the Carlin Camp Dispatch. Also during the trip, Mountain View Cemetery near Lovelock, the Elko cemeteries, and Carlin Cemetery were reconnoitered, and the graves of Civil War veterans were photographed.
