

**Recommendation for Department of California & Pacific  
Major General Montgomery C. Meigs Graves Registration Award - 2012**

**To Donald J. Huffman – Gen. William Passmore Carlin Camp No. 25**

I hereby recommend Donald J. Huffman for the Annual Department Major General Montgomery C. Meigs Graves Registration Award based on his following accomplishments in 2011:

- Brother Huffman has spent an estimated 300 hours in the last year researching veterans' gravesites.
- Along with Brother Enderlin, and with no small difficulty, they located the burial location of Col. Norton Parker Chipman, co-founder of the Grand Army of the Republic. The search for his burial site went on several years.

Respectfully submitted,
