Memorial Day

This year’s Memorial Day event at Evergreen Cemetery was well attended, as last year and was very well received and with a few additions to the program.

On Saturday, 24 May 2014, Camp 18 Commander Bill Daley opened our Memorial Day service at Evergreen Memorial Historical Cemetery at noon and shortly after read General Logan’s General Order # 11.

Acting Chaplain Brother Rudy Velasco PCC lead with the Pledge of Allegiance and Invocation. Sr Vice CMDR Richard Burns greeted and introduced everybody and talked about the “Origins of Decoration Day.”

The additions to our service start here. Earlier in the year, Jr. Vice Cmdr Steve Doyle went the Lincoln Shrine in Redlands and met Dawn Beresovoy of Mary Jane Safford Tent #92, Daughters of Union Veterans of the Civil War of Temecula. Our Camp invited the “Daughters” to our Memorial Day Service and they came to support.

During introductions Brother Burns asked Safford Tent President Kay Fordham to the podium and introduce the other Tent Sisters, who were Lynette Canales, Kay Hildebrand and Candy. Sorry girls, I don’t recall Candy’s last name. Candy and Kay Hildebrand were dressed in 1860’s period attire as were others attending Camp 18’s service.

Lynette Canales presented a wreath to the P.O.W./M.I.A. flag during the Memorial Day Service assisted by one of the Ramona JROTC Cadets.

Susan Sweet, President of Rosecrans Auxiliary to the Sons of Union Veterans of the Civil War recited a poem, “The Unknown Dead” by Elizabeth Robbin Berry, Patriotic Instructor to Women’s Relief Corps. 1909.

Melinie Prosk-Caines, Past Department President of the Auxiliary to the Sons of Union Veterans, dressed in period black mourning dress presented a wreath to the Women’s Relief Corps monument.

Five more wreaths were presented to the five Military Service Branch flags by MCJROTC Cadets of Ramona High School.

Boy Scout Troop No. 120 of Moreno Valley inquired about a possible flag retirement ceremony during the Memorial Day Service. Our National Colors at the cemetery were a bit tattered so Camp 18 accommodated the Scouts and they retired the big American flag before the musket salute and “Taps.”

The Scouts were very respectful and professional during their ceremony and a descriptive narration accompanied the steps taken to retire “Old Glory.”

As the new grand flag was readied to be hoisted and the old flag was respectfully folded for the last time and placed on the fire, I was told, there were tears in the eyes of many.

SALUTE continued, country’s Veterans. Sr. Vice CMDR Richard Burns finished our Salute with the playing of Taps. We closed out the Service by inviting the audience to come and decorate the graves with the fresh flowers that Camp 18 had brought to distribute.

A BIG Thank You to Brother John Morris and gang for getting all the flags placed in the cemetery for Memorial Day.

More Memorial Day…

I thought I would share this with our brethren of the SUVCW. Just because I moved to Montana does not mean that the work doesn’t go on. My son, Mike Jr, is taking the pictures and I am standing at the woefully inadequate GAR sections of the cemetery in Billings. We placed 120 flags in the old cemetery; about half were for Civil War veterans.

Brother Mike Emett is a big reason why flags were placed in Evergreen Cemetery for years before passing the torch to Brother John Morris and moving to Montana. Our Brothers Mike and Mike Jr. are keeping the traditions alive.

On Memorial Day, May 26, Mike went to a small cemetery in Custer, Montana and served in an Honor Guard with the local American Legion Post.

4th of July Fireworks Display

This year, Camp18’s display before the fireworks at Evergreen Cemetery started out warm, very warm. Nobody wore wool uniforms trying to stay cool. As the early evening came around so did cooler weather and the crowds anticipating the night time light display.

Many came to ask questions about the Sons of Union Veterans, the everyday lives of Civil War soldiers and the G.A.R. The black powder, muzzle loading weapons are always a great topic of discussion.

Display continued,

One of the several great conversations of the evening was with one individual about the history of Juneteenth and what it means today approaching the 150th anniversary of its origin. Great stuff.

Jr. Vice Commander Steve Doyle handed out a couple of forms he made up to help an individual research a civil war ancestor and may have a couple of new member prospects on line. Good Job, Brother Doyle.

The fireworks were an exciting display with only one small fire atop of Mt. Rubidoux which was extinguished quite quickly. Already waiting for next year.

JROTC & Eagle Scout Awards

In the spring and early summer of this year, Stoneman Camp 18 was involved in presenting 2 ROTC awards at Claremont - McKenna College and 9 JROTC awards at local high schools. Awards were presented in San Bernardino and Riverside counties, as far north as Apple Valley, San Jacinto in the south, Claremont in the west and to the Coachella Valley in the east.

These ceremonies were attended by Camp 18 representatives to hand out these awards, keeping a personal touch with the Cadets. Thank you, Brothers, Tate Burns, Richard Burns PCC, Roger Rothrock, Steve Doyle and Rudy Velasco PCC for attending these award ceremonies on behalf of the SUVCW and Camp 18.

Our Camp received a couple of very nice “Thank You” cards in the mail for attending these ROTC award banquets.

Carter High School in Rialto sent a card thanking Brother Steve Doyle for making a presentation and Claremont – McKenna College sent a card thanking General Stoneman. Go Figure.

Eagle Scout Awards at Fort Irwin
reported by Brother JVC Steve Doyle

On, Friday, June 27th, Camp 18 Senior Vice Commander, Richard Burns, and Junior Vice Commander, Steve Doyle (in Civil War uniform), presented Eagle Scout Certificates from the SUVCW to two Eagle Scouts at Ft. Irwin.

These Camp 18 Brothers were graciously received at the fort’s entrance by one of the fort’s Senior Officers, ARMY LTC Joseph Paulin, who escorted the Brothers onto the base and to the Assembly Hall where the Eagle Scout Court of Honor ceremony was to take place.

LTC Paulin is the Assistant Scout Master at Ft. Irwin and his two sons, Jeffery and Joshua, were the Scouts receiving their Eagle Scout Awards.

Scouts continued,

The Awards Ceremony started with an Invocation and the Convening of the Court of Honor. Several of the Scout Masters gave speeches and video presentations about the Stages of Scouting.

The Legend of Eagle Mountain, and the, “Trail to Eagle Scout” video was then shown.

Jeffery and Joshua were presented with their Eagle Badges and gave brief speeches, thanking the Scout Masters, and especially, their parents for helping them attain their goals of becoming Eagle Scouts.

Brother Steve Doyle then presented the SUVCW Certificates to both Jeffery and Joshua and then gave a short speech to the New Eagle Scouts,

“The SUVCW and Camp #18, congratulates you on your achieving the Rank of Eagle Scout. Our Organization strives to Honor the more than 400,000 Union Veterans of the GAR who, in some cases, sacrificed everything, including their lives, to preserve our Union. It is not only our Honor, but it is our Duty to these Traditions, including the Teaching of Patriotism, Civic Duties, and honoring our Flag. These same Concepts are also “Near and Dear” to the Boy Scouts of America. Once again, on behalf of the SUVCW, we offer our congratulations to you on your Special Achievement.”

After the Benediction and Retiring of the Colors, a light buffet dinner was served. But before Brothers Richard and Steve could leave to return home, more than a dozen parents wanted their cub scouts’ photos taken with Brother Steve in his Union Civil War uniform with musket and traps, of course...) Several group pictures were also taken.

Thank you Steve, for sending us this report.

Ladies of the Grand Army of the Republic home in west Los Angeles

On 27 May, we received an email from the LGAR about a senior living home for women. I didn’t think these types of homes existed anymore and I understand this is the last of its kind. The email reads:

Beverly Macy is the President of the Appomattox Circle of the Ladies of the Grand Army of the Republic. She helps manage the LGAR Memorial Home in West Los Angeles. The Home has been in operation at this location since 1947, providing low income housing to senior female blood relatives of Union Army Civil War Veterans. The residents are active senior women, 55 plus.

There are 12 one bedroom units and as of July, they have one opening for a new resident. Units do become available from time to time.

Sister Macy believes it is important to get the word about the home and available units out.

If you know of anyone who qualifies or might qualify please contact her so they can start the process. It is a lovely, modest home that is safe and affordable.

You can email Beverly Macy at memorialhome1@gmail.com

Appomattox Circle of the LGAR will accept donations. If you or your group has a few extra dollars or good appliances or man hours to donate and need a place for your donations to go, Contact the ladies of the Appomattox Circle to see what they need or where you can help.
