CAMP 25 NEWS

4th of July Liberty Bell Ringing

Several members of Camp 25 attended the annual July 4th Liberty Bell Ringing in Carson City, presented by the Battle Born Chapter of the SAR Color Guard. In addition to the brothers pictured below, Brothers D. Dalton, Dickey, Hess, Linscott, and Stoecklin participated as part of the Color Guard. Members of the public were able to ring Nevada's Liberty Bell in honor of their patriots that fell and served for America.

Nevada Veteran's Memorial Plaza Brick

The Nevada Veteran's Memorial Plaza team has confirmed that they have received the bricks from their

supplier and the local craftsman that is engraving them is working on them. They expect that the brick will be ready to install in possibly early September. As soon as we have a date for placement, we will organize a ceremony to gather and honor our Nevada brothers that gave their full measure for our country.

Past Commander Riggs Ridge Naming

Commander Davis's presentation on the proposed Riggs Mountain naming went well at the Nevada Board on Geographic Names and it is moving forward with a proposed Riggs Ridge near the State Prison in Carson City where John had worked. As the application moves to the next step, it would be useful if more of our brothers would also send their letters/e-mails of support. We will provide some talking points and the address where you can to send your support to.

Political Speech from the Times

"The Amazing Growth of the Pension Pig"

OUR CIVIL WAR ANCESTORS

Private Alexander J. Taylor 1826-1887

Alexander J. Taylor was born on 10 March 1826 in Lexington, Fayette County, Kentucky. He was the 4th child of William Taylor the 2nd (1798-1845) and his wife Mary Ann Ragan (1803-1877). By 1830 the family had moved to Morgan County, IL. He married Mary Frances Cothran (1824-1909) on 5 December 1848 in

Scott County, Illinois. By 1850 Alexander and his wife had moved to Springfield, Sangamon, Illinois. They remained there through the 1860 Census; his occupation was as a potter. To this marriage six children were born; Pauline, Lenora, Mary Ann, William, Barnwell, George, and Mildred.

The Civil War broke out on 12 April 1861, and Alexander mustered in on 25 May 1861 as a Private and serving in two companies; Company F, 61st, and Company K, 14th Illinois Infantry. He mustered out on 25 Jul 1861. His military records describe him as 5'9", light colored hair, blue eyes, and a dark complexion.

The 14th Regiment was organized at Jacksonville, Ill., and mustered in May 25, 1861. Moved to Quincy, Ill., June 28, 1861. Attached to Dept. of Missouri to February, 1862. 2nd Brigade, 4th Division, District of West Tennessee, and Army of the Tennessee, to July, 1862. 2nd Brigade, 4th Division, District of Memphis, Tenn., to September, 1862. 2nd Brigade, 4th Division, District of Jackson, Tenn., to November, 1862. 2nd Brigade, 4th Division, Right Wing 13th Army Corps (Old), Dept. of the Tennessee, to December, 1862. 2nd Brigade, 4th Division, 17th Army Corps, Army of the

Tennessee, to January, 1863. 2nd Brigade, 4th Division, 16th Army Corps, to July, 1863. 2nd Brigade, 4th Division, 13th Army Corps, to August, 1863. 2nd Brigade, 4th Division, 17th Army Corps, to November, 1864. 1st Brigade, 4th Division, 17th Army Corps, to April, 1865. 2nd Brigade, 4th Division, 17th Army Corps, to June, 1865. Dept. of Missouri to September, 1865.

The Civil War ended on 13 May 1865, and the Regiment lost 62 men killed and mortally wounded, and 1 Officer and 160 men to disease.

The 1865 Illinois state census shows Alexander living in Springfield, Sangamon, Illinois. By 1870 he and his wife were living in Wilmington, Will County, Illinois where he was working as a tailor. The 1880 Federal Census Schedule for the Defective, Dependent, and Delinquent shows him living in Buena Vista Township in Schuyler County, Illinois, institutionalized and blind. He applied for a Civil War pension (number 468701) on 5 January 1883. The records show that he was living in the Illinois Soldiers' and Sailors' Home on 14 May 1887.

Alexander died on 15 July 1887 and was buried in Quincy, Adams County, Illinois at the Sunset Cemetery (aka Illinois Veterans Home Cemetery, Soldiers and Sailors Cemetery, Veterans Cemetery). His Find a Grave Memorial number is 90775031. His family applied for and was granted a Civil War headstone, which reads: Alexander Taylor, Co. F, 61st Illinois Infantry. His wife applied for a Widows Pension (number 409068) on 19 November 1889.

RITUALS, CUSTOMS, TRADITIONS, AND HISTORY

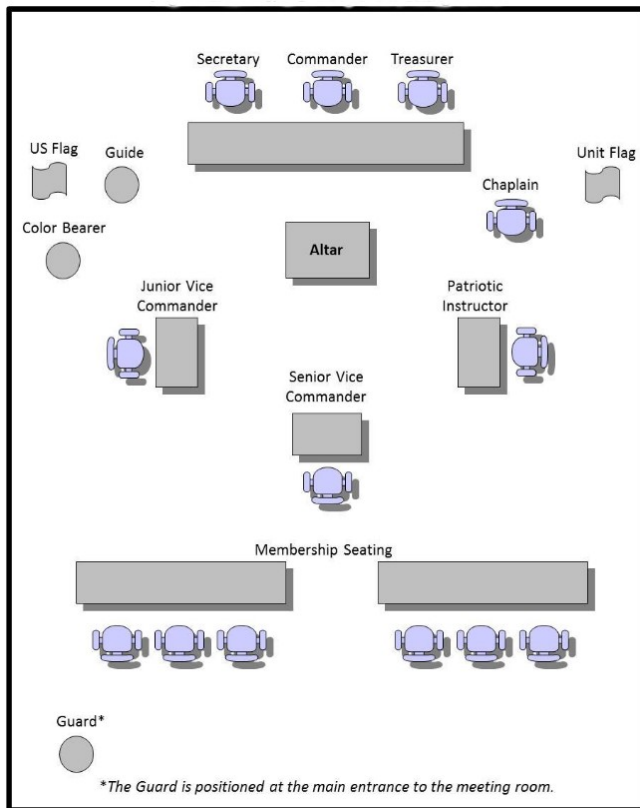

SUVCW

Formal Camp Meetings

Originally the SUVCW camp meetings were conducted in a very formal fashion, like many fraternal organizations of the day, and many camps still abide strictly to these rituals, while others are less formal. These

Rituals and Ceromnies are designed to strenghten the bonds of Fraternity, Charity, and Loyalty, and provide a bridge to the experiences of the Grand Army of the Republic.

General Seating Plan of the Camp Meeting Room

GAR

Sarah Emma Edmonds was only woman known to have been admitted to full membership in the GAR, because she had served in the 2nd Michigan Infantry disguised as a man named Franklin Thompson from May 1861 until April 1863, and continued to live as a man in the post war period. In 1882, she collected affidavits from former comrades to petition for a veteran's pension, which she received in July 1884. Edmonds was a member of the GAR until she died on September 5, 1898, and was given a funeral with military honors when she was reburied in Houston, Texas in 1901. A small number of women who had served as volunteer nurses during the war were awarded 'honorary' membership, including the

war-time nurse Clara Barton. The official war-time Army nurse corps formed its own 'veterans' organization called the Association of Army Nurses, founded in Philadelphia. The Army Nurses met along with the Grand Army men at department and national 'encampments', but were not accepted as official members.

**GENERAL WILLIAM PASSMORE CARLIN CAMP 25
DEPARTMENT OF CALIFORNIA & PACIFIC
SONS OF UNION VETERANS OF THE CIVIL WAR**

11 Jun 2023

I. Opening

1. Meeting call to order by Commander Davis at 1315 hours
2. Pledge of Allegiance led by Commander Davis
3. Invocation given by Chaplain Donn Dalton
4. Roll Call: D. Dalton, D. Davis, R. Lorenz D. Perdue, and F. Wood. Guest: J. Davis.

II. Commander's Report

1. Commander Davis introduced guest Jenny Davis.
2. Commander Davis reported on the opening of Bower's Mansion and the on the Memorial Day Ceremony at the GAR cemetery.

III. Secretary's Report.

1. Secretary Hess was absent but Commander Davis referred the members to the Minutes published in the last edition of the Camp 25 Dispatch and asked for any changes. Being none there was a MOTION TO APPROVE (M/S Perdue/Dalton). THE MOTION PASSED UNANIMOUSLY.

IV. Treasurer's Report.

1. Treasurer Hess was absent on an emergency and therefore the Financial Statement for Camp 25 was not present.
2. Commander Davis briefed Sec/Treas. Hess's report on lack of receipt of the Annual Report Form 27 and our annual checks at the Department. Sec/Treas. Hess mailed them on April 20 by Priority Mail, and the postal tracking app says they were delivered. Department Sec/Treas., Randy Dhinsa, indicates that he never received them, and the checks remain uncashed. Sec/Treas. Hess again sent copies of the Annual Report to Department and will send a new check soon.

V. Senior Vice Commander's Report

1. Brick. Brother Perdue reported that the NVMP POC indicated that bricks from the manufacturer are delayed and when they arrive and are engraved, NVMP will let us know so we can have a ceremony upon their placement.
2. Twenty Year Dinner: Brother Perdue reported that unfortunately, in the judgment of the Commander and Vice Commander, interest was not there to

hold a 20th Anniversary Dinner, so it has been canceled. He asked if members would like to do something else and hearing nothing the idea is dropped. The Camp has received the 10, 15, and 20-year service numerals and a time to award them needs to be picked.

VI. Historian, Memorials, and GAR Highway Officer's Report—(SEE EXHIBIT 2)

1. On May 31, Camp Commander/Historian David A. Davis attended the meeting of the Nevada Board on Geographic Names at UNR and proposed the naming of the ridge just east of the Carson River and east of the State prison complexes and Prison Hill as Riggs Ridge in honor of deceased Past Camp Commander John Riggs. The Board voted to move the proposal to the next step, whereby it will be researched by the Board as well as to be continued researched by Commander Davis. Once they are done, it will go to the next meeting in September, when they will approve, disapprove, or send it back for more work. To date, Christine Johnson, the Board's executive secretary and our Point of Contact, has received five letters of support. It would be useful if more of our brothers would also send her letters/e-mails of support. Some talking points and the addresses where you can send your support to will be provided upon request. Brother Perdue suggested that the local churches that PCC Riggs attended and the State Prison Staff should also be contacted and asked to submit letters.

VII. Junior Vice Commander's Report. Nothing To Report.

VIII. Graves Registration Officer's Report. GRO Don Huffman: Unionville Remains recap: Don contacted the Army. The request went to Program Manager Sarah N. Parsons, of the U.S. Army Criminal Investigation

Laboratory. She then sent the request to Physical Science Technician Lisa Abreu with a CC to Assistant Director Michael Hill. On March 7, Lisa contacted Don asking if anyone had contacted him yet. Since then – nothing.

IX. ROTC Report – Brother Dietrich reported by email:

1. The following J/ROTC awards were given this Spring:
 - Douglas HS - Elissa Dumlao
 - McQueen HS - Logan Bahl
 - Carson HS - Emily Snyder

Brother Stoecklin presented at Carson HS and Douglas HS, and Brother Dietrich presented at McQueen HS.

2. An award was ordered and sent to the University of Nevada; however, the award was not acknowledged by the University for an unknown reason.
3. Carson HS did not provide a Form 7. An award was ordered retroactively. The award package has not been received from National to date.

X. Other Officers' Reports. None provided.

XI. Old Business

1. Shine Tent President Monica Moriarty e-mailed that the Carson City Library will be doing a month's display in July with a War of the Rebellion or Civil War theme like a couple of years ago. If there is any interest in participating contact Cmdr. Davis.
2. Cmdr. Davis mentioned in the past about having a large white tent-like structure, that PCC John Riggs had us purchase for Camp use at events. In addition, there is a fly, but no poles to put it up with – though that could be easily corrected. It has been

mentioned about having a tent at events like Bowers Mansion. Our tent would require several volunteers to assemble, disassemble, and man should interest be shown, and there should be a practice in advance of its use.

3. Really old business on back burner – may never be off the back burner, but included here as not forgotten

- a). Unionville Remains – see GRO report
- b). James Reid MOH
- c). Kane/Keenan MOH

XI. New Business

1. Thoughts on upcoming activities:
Especially with parades, as when times and deadlines get closer, Cmdr. Davis will be wanting a headcount as he doesn't want to be the only one participating:
 - a) Liberty Bell ringing at Carson City
 - b) Labor Day Parade at Virginia City
 - c) Bower's Mansion seasonal closure
 - d) Nevada Day Parade in October
 - e) Veterans' Day Parade in November

XII. Good of the Order

1. Brother Woods reported that he probably would have to stop participating in the monthly meeting and because he has the key to the VFS hall, we should look for new arrangements. Brother Dalton said he would enquire about using the Elks

Lodge facility and Brother Lorenz said he would enquire at the American Legion facility in Reno. Brother Perdue said if those didn't work out, he would consider joining the VFW if he could have a key for us to use their facility.

2. Brother Lorenz reported that he had been working with National to have his Civil War ancestors grave and biographies posted to the National database, and he is now authorized by National to access their database and perform those tasks if members are interested in posting their ancestors information.
3. Brother Lorenz reported that he had taken pictures at the Memorial Day Ceremonies at the GAR Cemetery. In the discussion that pursued he indicated that he would be happy to be the Camp photographer and subsequently Cmdr. Davis appointed him the Camp photographer.
4. Need to schedule a time to present the 10, 15, and 20-year service numerals.
5. Next meeting. August 13, same time, same place.

XIII. Closing

- 1) Prayer was given by Chaplain Donn Dalton

Adjourned at 1438 hours.

Respectfully submitted,

David Perdue, Junior Vice Commander

So far, the only other features named Riggs are Upper and Lower Riggs Springs and a Riggs Road leading to them in the back country of Lincoln County. They are about 9 miles southeast of the old Delamar mining camp and were first mentioned in 1892 in the "Pioche Weekly Record." They were probably named for a Riggs family (no details about them as of this writing) who apparently grazed cattle in the area for a short time before moving to Arizona.

FATE OF SECESSIONISTS IN NEVADA DURING THE CIVIL WAR

By David A. Davis, Carlin Camp 25 Commander and Historian

One of many of the jobs of the Nevada Volunteers and provosts was dealing with secessionists and others who openly supported the Confederacy. With Nevada being under martial law, freedom of speech was curtailed. Under Order No. 1 by Connor, dated August 6, 1862, at Fort Churchill, anyone being heard uttering anything derogatory involving the Union or in praise of anything involving the Confederacy would result in arrest and might result in getting a beating if not shot or hung before the arresting authorities arrived. Notice: "punishment they so richly merit."

The table is a list of offenders found in newspaper accounts, what they did, and their punishment. Most commonly, the offender was trundled off to the nearest military post and forced to sign an oath of allegiance. Should the offender refuse, corporal punishment was inflicted until the offender gave in and signed. Packing sand was the more common punishment. Though it likely varied, one account said that packing sand involved having a 60-pound bag of sand strapped to the offender's back. With an armed sentinel by his side, the offender would then pace forward and backward for 10 hours every day with no rest stop except for an hour at noon. Usually after 3 to 5 days, the offender was ready to sign. Even after signing, the offender may still be required to pack sand another 10 days to make doubly sure he got the point. Chopping wood was another common, and useful chore, inflicted upon the offender, and so much had to be done before getting fed.

Before Mr. Coxe could be arrested, an impromptu 12-man panel arbitrarily sentenced him to 40 lashes of which he received 10. At Fort Churchill, Mr. Coxe ended up with a broken leg from a falling rock while being forced to dig. The newspapers were not sympathetic with one suggesting the rock should have been more ambitious.

Patrick Henry "Hal" Clayton (d. 1874) was a long time Nevada lawyer who hailed from Alabama and was also a notorious secessionist. Hence the \$5000 bond to shut his mouth. His is the only mausoleum (about 170 feet southwest of the statue) in the Lone Mountain Cemetery. His and his wife Susan's skulls were stolen Oct. 31, 1997. Hal's skull was recovered in 1999, and David Shaughnessy and Janice Hershey who stole it (drugs and money) and Nanette Birdsall who bought Mrs. Clayton's skull (satanic rituals) were arrested. Shaughnessy confessed and got 5-years' probation and 100 hours community service. Hershey pleaded guilty to an unrelated embezzlement charge to have the grave robbing charges dropped. Birdsall was given probation upon return of Susan's skull.

ORDERS, }
No. 1. }

HEADQUARTERS DISTRICT OF UTAH,
Fort Churchill, August 6, 1862.

The undersigned, pursuant to orders from department headquarters, hereby assumes command of the Military District of Utah, comprising the Territories of Utah and Nevada. In assuming command of the district I especially enjoin on all disbursing officers the necessity of being particularly attentive, careful, and economical in the disbursement of the public funds, and that they in no instance purchase from persons who have at any time, by word or act, manifested disloyalty to the Federal Government. Being credibly informed that there are in this district persons who, while claiming and receiving protection to life and property, are endeavoring to destroy and defame the principles and institutions of a Government under whose benign influence they have been so long protected, it is therefore most rigidly enjoined upon all commanders of posts, camps, and detachments to cause to be promptly arrested and closely confined until they have taken the oath of allegiance to the United States, all persons who from this date shall be guilty of uttering treasonable sentiments against the Government, and upon a repetition of the offense to be again arrested and confined until the fact shall be communicated to these headquarters. Traitors shall not utter treasonable sentiments in this district with impunity, but must seek a more genial soil, or receive the punishment they so richly merit.

By order of P. Edward Connor, colonel Third Infantry California Volunteers, commanding District of Utah:

JAS. W. STILLMAN,
Acting Assistant Adjutant-General.
